The Name

COBA'S DAUGHTER

/koʊ.baː.z ˈdɔː.tə/ — noun

Born from the rhythm of southern Vietnam and the spirit of Saigon, CoBa's Daughter carries the beauty wisdom of the past into the rituals of the present.

In Vietnamese culture, Cô Ba (Miss Ba) is the intimate name for the Second Daughter. Not the firstborn, carrying the family's expectations. Not the youngest, indulged and free. She is the one in between, given freedom, yes, but with quiet conditions attached: succeed, honor your roots, achieve.

She carried beauty and sharp intelligence in equal measure. She recognized quality instinctively, chose with discernment, and moved through the world with grace, capability, and undeniable presence. She is shaped by discipline, raised to be self-assured, and grounded on her own terms.

For her, body care is not indulgence. It is a way to return to center - physically, mentally, emotionally, so she may continue with steadiness and intention.

CoBa's Daughter is how we tell her story, in her own voice.

Meet our Founder
The Heart behind our Brand

One afternoon, Sao came across a luxury fragrance named after Đồ Sơn, the coastal town where she had spent childhood summers with her grandparents.

A French house had reached into her memory, wrapped it in glass, and sold it back to the world. She did not feel flattered.

She felt something sharper: Vietnamese beauty held a depth of ritual, ingredient knowledge, and lived wisdom that had too rarely been carried into the world from within.

She built CoBa's Daughter to change that. The products are Vietnamese ingredient, in place, in ritual.

Sao Lonsdale

Sao Lonsdale is the **CoBa's Daughter.**

Vietnamese-born. Over ten years of global experience in the beauty industry.

2026 marks the Year of the Vietnamese Fire Horse
— a symbol of energy, endurance, and forward motion.

In that spirit, we found our rhythm with the equestrian world.

Women who rise before sunrise, train with intensity, and move by standards of their own.

They found our Coffee Scrub and shared it quietly — a ritual that fits. After long rides, barn dust, sun, and wind, it meets them exactly where they are.

The Product Ethos

CoBa's Daughter is rooted in Vietnam, where heat, humidity, movement, and exposure shape how the body is cared for. This is body care informed by climate, habit, and lived experience.

Our product philosophy begins with the wisdom of blending herbs and botanicals with intention - each chosen for its benefits to the skin, and together composed into formulas that feel as good as they perform.

Guided by an aromatherapy-first approach, CoBa's Daughter creates body care that is simple, purposeful, and deeply felt.

The Ritual of Place

For the woman who moves with discipline, care must be sensorial, effective, and effortless — something she can return to without complication, yet feel immediately.

Our world is shaped by three states of return:

Cleanse
Unwind

• 3in1 Soap for Body, Hand & Hair

Bright Mekong citrus. Lime leaf. River air at first light. A beginning softened into ease.

Hydrate
Recover

• Aloe Soothing Gel

A Ritual, Offered.

CoBa's Daughter is made to be lived with,
and made to be shared.

A gesture of care.
An object of beauty.
A reminder to return to the self.

Offered to a woman you admire.
Or kept for the one you are becoming.

The Daughters of CoBa

This is the new generation of CoBa.

A community of women who carry home in their scent and the world in their stride. Women who honor where they come from while boldly creating who they are becoming.

She never performs for external approval. She performs for self-respect. She sets her standards impossibly high, privately, without announcement. Polished not to be seen, but to feel steady. She turns heads without trying, because she was never looking at the room. She was looking inward.

If you have ever felt that pull, to honor where you come from while becoming who you choose to be,
- you are already one of us.

We are CoBa's Daughters.
